I currently have power line on my land from San Gabriel. I do not want anymore. It is dangerous to the livestock. I am also concern about the effect it will have on the wildlife in the area. Also the effect the towers will have on my family. It will also decrease property values in the area. Please don't use the Hatchet Ranch as one of four options.

I-067-001: Cumulative Impacts (In Review)

Your email/letter/comment card has been received and your comment noted. Potential cumulative impacts and mitigation measures will be addressed in the Environmental Impact Statement.
